About Us

Atam Enterprises, started in the year **1996**, is counted amongst the top manufacturers, suppliers, and traders of a quality range of Corporate Gifts. Manufactured using the highest grade of raw materials that have been procured from trusted vendors, the offered products are one of the first choices in the market. Our unmatched range comprises of Promotional Pen Drive, Electronic Appliances and Traveling Bags. The prominent client base we have includes firms like Nokia, Pepsi and Win healthcare. The processes at Atam Enterprises are taken care of by a team of trained and qualified employees that works in unity for the purpose of achieving the several organizational goals. In an attempt to provide the best to our clients, we process these products through a number of quality checks, before sending for sales. In addition, these products are made available to the clients at market leading rates and are delivered punctually too. Our product range is known for attractiveness and effectiveness. Under the supervision of our proprietor, **Mr. Ajay Jain**, we have been able to gain immense success. His knack to foresee the market changes and making appropriate decisions have helped the firm to achieve a respectable position in the industry. He further takes special interest for his employee's development, both technically and intellectually.
